

Live Through Me

(John 14:16-17, John 15:4-5, Gal. 2:20)

I talk about serving...but am I a servant?
I talk about giving...but do I sacrifice?
I talk about loving...but do I hold back?
I can get lost within myself

I'm supposed to be growing...but am I still a child?
I'm supposed to be going...but I'm still here
I'm supposed to be following the Lord my God...
But I get lost within myself

But Lord You came to live in me
the day I believed in You
so loving you will bring me to
live what I believe, live what I believe, cause...

You could talk about serving...for You were a servant
You could talk about giving...because You sacrificed
You could talk about loving...You did not hold back

Lord You came to live in me
the day I believed in You
So loving you will bring me to
live what I believe, live what I believe...

cause it's not just what I do
but all of who I am
Lord, make me more like You
so You can live on through this one

Serve through me
Give through me
Love through me
Live through me

There is a Freedom

(John 8:32, Romans 8:28, Gal. 5:1)

I was a slave to old circumstances, but you know I have just begun to see
no such thing as haphazard chances...they've made and shaped who I call me
Take the good, leave the bad—it is not possible
I made a vow; now I'm bound to the God who knew me all along

There is a freedom—a freedom I am seeing
There is a freedom—I am bound for Him

There is a freedom—a freedom I believe in
There is a freedom—I am bound for Him

See the world that I live in
I could be a slave to it easily
All the choices, all the ways of living they weigh and take their hold on me
Take the good, leave the bad—sometimes it seems impossible
but I talk to Him and He begins to free me from it all again

I am bound for a God who loves me
I am bound for a God knows me
I am bound for a God who wants me to receive,
I am bound to believe...

Altar

(Heb. 9:11-14)

Here at the altar
I bow down before You
and I offer myself
For here at the altar
You laid down Your honor
and You sacrificed Yourself
The Perfect Lamb, no stain, no blemish
He is "I AM" and always will be
satisfied
for He sacrificed His very life
here at the altar

Here at the altar
Christ died and He suffered
for all who'd come to believe
that here at the altar
His blood flowed to cover
the sins of all who'd receive
The Perfect Lamb, no stain, no blemish
He is "I AM" and always will be
satisfied
for He sacrificed His very life
here at the altar

A Psalm

(Psalm 24 & 19)

The earth is the Lord's
and all it contains
The world, and all who dwell in it
For He has founded it upon the seas
and established it upon the rivers

Who may ascend unto the hill of the Lord?
Who may stand in His holy place?
He who has clean hands and a pure heart

They do not speak, yet they are not silent
Day after day, night after night
The heavens proclaim
revelation and knowledge
Year after year, life after life

Peoples have heard, none have escaped
Pointing to God, His creation proclaims

Bridge

No speech is needed
nor are there words
Hear what earth's saying
though no voice is heard

My Only Way

(Psalm 103:13-14, Heb. 12:2)

Children cry when they have to
and they don't understand
They are small and they are so young
We do all we can
but we're not God
there are things we cannot do
One day they must look to You

Even I at my age

am tempted in my pain
to reach out for my solutions
from people but in vain
They are not God
there are things they cannot do
Lord I turn my eyes to You

Chorus

You are the only Source
where a soul can find comfort
You are the only Course
a life will take
You came, You gave, You showed me who You are
You are my only God, my only Way

I will cry when I have to
it does not mean You have changed
I will seek You for my answers
and even if things stay the same
You are my God
I know I am Your child
You have taught me all the while...

Mount Zion

(Heb.12:18-24)

We have come to Mount Zion
the heavenly Jerusalem,
to the city
of the Living God
And we have come to thousands of angels
Angels in joyful assembly,
To the Church
of the First Born
And we have come to God,
the Judge of men
to the spirits
of righteous men—
men, whom God has made perfect

But above all we have come to Christ
Mediator of a new covenant
He died and rose again
so we could come

There is no mountain,
there is no fire,
there is no storm,
could keep us from
the love of God

We will tell others,
we will shed light
We will show them the way
to this eternal life
so they can come to Mount Zion...

We will hear angels,
we will see Jesus
Oh, the love of God,
The love of God

You Alone

(Luke 7:37-50, Luke 8:43-48, John 4:10,
John 8:10-11)

I give you tears for Your feet
and I will wash them with my hair
continue my kiss,
may my perfume fill the air
For my sins have been forgiven
and with much gratitude
Jesus I love

My faith is in You alone
This image of my frailty
is one that we both know
Your grace has brought life to my soul
My faith is in You alone

I give You water to drink
touch the hem of your robe
listen at your feet
I will go and sin no more
For those sins have been forgiven
and with much gratitude
Jesus I love You

I am Martha, I am Mary, I am the woman at the well
I was caught in my sins with needs
that only God could fill
And your love overflows in my soul
my faith is in You...alone

I give you tears for Your feet
and I will wash them with my hair
Continue my kiss,
may my perfume fill the air
For my sins have been forgiven
and with much gratitude
Jesus I love

My Eyes

(1 Corinthians 6:19-20)

Rinne tú úr mé (You made me new)

My eyes are His eyes
and my hands, His hands
My feet have a purpose
they go where He commands

My heart, my mind
indeed my soul
are His
to do as He wishes

I am His and Jesus lives in me
I am His and Jesus lives in me
All I am, all I am
His Spirit will be

Spirit fall on me

Críosta óteagasc mé (Christ teach me)
Rinne tú úr mé (You made me new)
Críosta ó cumhdaigh mé (Christ cover me)
Rinne tú úr mé (You made me new)
Le tine naofa tá mo creideamh beo (My faith is alive with holy fire)

This Brother of Mine

(Matt. 13:54-57, John 7:5)

This Brother of mine is not quite what He seems
Always He's preaching and teaching extremes—
all about the world
about the hearts of men, all about me
Waiting for me to believe...
this Brother of mine

This Brother of mine left his woodwork undone
Says He's gone with His friends, to the lowest of ones
says He's healing the world
says He's healing all men, healing me
Waiting for me to believe...
this Brother of mine

This Brother of mine, what can I say?
Is He ill or insane for all the claims that He's made—
He was before the world
Maker of all men, Maker of me
He says He's Messiah
He says to believe...
in this Brother of mine

This Brother of mine was alone on a cross
All of His preaching and teaching seemed lost
Lost to the world
yet He died for all men—even for me

Oh, my mother kept all of this stored in her heart
My brothers went on though their hearts were so hard
To call on His name as Brother, as Lord
I too am finding my heart restored...
to this Brother of mine

This Brother of mine—is everything to me
I know where He came from, and why I believe
He's the Savior of the world
Savior of all men, Savior of me
He waited for me to believe
He is my Savior, He is my King...
this Brother of mine

Pray

(Phil. 1:3-4, Eph. 6:18, Gal. 6:10)

Sometimes I find myself
alone in a crowd
My heart is burdened
And if I could I'd cry out loud
I am sad, I'm in need or whatever I may be
I need someone to pray for me (cause when we...)

Chorus
Pray for one another,
realize Whose care we're under
God is listening out for us when we tell each other
we will pray for one another
No prayer is without answer
Jesus intercedes for us as we believe...and pray

I am familiar with my growing need
to be surrounded by those who walk what they believe
They have faith and they know
God's Spirit between us flows
when we take our needs and make them known

Chorus
Pray for one another
realize the strength in numbers
God is listening out for us when we tell each other
we will pray for one another
No prayer is without answer
Jesus intercedes for us as we believe...

Bridge
that where two or more are gathered
our God is in our midst
He knows the name, He knows the need
we are strengthen in His unity when we...

Chorus
Pray for one another,
realize and rediscover
God is listening out for us when we tell each other
we will pray for one another
No prayer is without answer
Jesus intercedes for us as we believe
and pray

One day we'll find ourselves vulnerable
We could be open
or will we hesitate to show
that we're sad, we're in need or whatever it may be
Will we show ourselves
that we believe?

Chorus

Pray for one another,
realize Whose care we're under
(for) God is listening out for us when we tell each other
we will pray for one another
No prayer is without answer
Jesus intercedes for us as we believe—
that Jesus intercedes for us as we believe and pray
